Hundreds of Applicants Attend Rocky Mount Event Center Job Fair Takes Off

Rocky Mount Locals Take Interest In Job Opportunities At The Downtown Event Center

(Rocky Mount, NC) July 3, 2018: With only four months until the opening of the highly anticipated sports, events, and meeting destination, the [Rocky Mount Event Center](#), the facility's leadership staff is seeking to fill more than 15 open positions. The opportunity to join the event center team was presented to the Rocky Mount community and surrounding areas through a job fair held at the Imperial Centre on June 27th. The fair was deemed a success by SFM General Manager Marcus Murrell and his team who received in-person applications, provided additional information on open positions, and held personal interviews with prospective candidates.

Over 300 candidates attended the job fair to apply for both full-time and part-time positions which included Office Administrator, Operations Manager, Security, Operations Technician, and Banquet Manager. The goal of the event was to both showcase the numerous career opportunities that the event center will bring to the local community and begin the selection process. With the current staff of the Rocky Mount Event Center and a Human Resources representative from [The Sports Facilities Management](#) headquarters, candidates were screened and added to the database of more than 850 applicants who have applied online. By leveraging the SFM national network and proven systems for hiring qualified candidates, the number of online applicants continues to increase daily.

"We've had an incredible number of applicants from the Rocky Mount community and surrounding areas" says Karla Spivey, Human Resources Manager with The Sports Facilities Management. "We look forward to working with the facility leadership team to not only hire, but onboard and train these new team members."

To those that were unable to attend the job fair event, the opportunity is still available to apply. Visit www.rockymountevents.com/careers to view all open positions. For questions, please call (252) 210-3432.
