

WELCOME TO THE ROCKY MOUNT EVENT CENTER!

ROCKY MOUNT
EVENT CENTER
THE CENTER OF IT ALL

We are excited to have you experience Eastern North Carolina's Premier Sporting and Entertainment Venue. It is our goal to ensure that you have an excellent and safe experience in our venue and to that end, please be aware of the following:

- **Face masks must be worn on our grounds and are required to enter our facility, and must always be worn, completely covering the face and nose, other than while eating and drinking. All players and performers must wear face masks while they are playing or performing. The face mask rules will be strictly enforced, and any guests who wishes not to comply will not be permitted on our grounds or in our venue.**

- **No outside food or drinks (including coffee, yeti mugs, canisters, flask, team snacks, cooler, etc.) are allowed in the facility. Please feel free to visit one of our concessions with a variety of dietary options.**

- **No outside chairs are allowed in the facility. There is no exception to this rule.**

- **Due to our state and the local guidelines for this venue, there is limited seating available. We have a strict number of people that we are allowing in our space at a given time. We understand that this may not be tolerable for some, and we do understand that there may be those who wish not to attend, but at this time, we will not be adding additional seating in our venue, and again it is very limited. Many of our Event Holders have Live Streaming options available so that parents, friends, and family can still watch and cheer on their athletes or performers. Please contact your Event Holder or Tournament Director about those options.**

- **Any attendee under 18 will not be admitted into the venue for sporting and entertainment events, due to our facility's decreased capacity number per our COVID-19 guidelines. If you have an issue that you believe is an extraordinary exception for an event, please contact the Event Holder or Tournament Director, who contracted the event with our venue, who can make that special request to us. Calls to our office will be on this issue, will be referred to the contracted Event Holder for each event.**

- **All tickets must be pre-purchased before the attendance of a tournament. Tickets will not be available to purchase on the day of the event. Wristbands are distributed by the Event Holders, coach of the athlete's team, etc. All wristbands must be worn on the attendee's wrist. No wristband will mean no entry into the venue.**

- **Due to our COVID-19 guidelines, no hydration stations will be available to re-fill athlete's water bottles. Water can be purchased at one of the concessions areas in our venue.**

We understand that these are new standards and norms, but to keep our facility safe for you and our teammates and adhere to our state and local government guidelines and regulations, these rules must and will be enforced.

We understand that there are different rules and regulations in various venues in other state and communities, but please be aware that those rules and regulations in other venues have no bearing on the rules and regulations that must be followed and will be strictly enforced in our venue. We thank you for your cooperation during these challenging times, and we are excited to be able to allow young athletes to entertain and perform again.

Thank you.
